

PTF Meeting
Brentwood Christian School
February 3, 2006

In Attendance:

Anita Chambers	President
Celeste Scarborough	Vice President
Lynn Petrik	Co-Secretary
Katherine Harper	Co-Secretary

Marquita Moss, Libby Weed, Donna Valdes, Tere Hager, Kathy Baur, Teresa Messina, Claudia Arguello, Jennifer Clark.

1. Opening prayer led by Celeste.
Financial report – Anita Chambers reported only two checks have been written since the last meeting, thus no significant changes from the previous report.
2. Donna Valdes was present from the special events office to report on Jog-a-Fun 2006. They are still in need of help to process the letters and deliver them to the mailing office. A coordinator is also needed for refreshments the day of the event. This year they are introducing an elite race with only 24 pre-qualified runners who will run a minimum of 34 laps. Bridget Salas is coordinator for all the volunteers on the day of the event this year.
3. Tere reported on the Book Fair coming up March 28-30. This year's theme is Camp Read A Lot. Tents are needed as well as coordinators for set up, wish list, and cashiers. Pok-e-Joe's will be the food vendor this year for Open House Dinner immediately preceding the Spring Open House program.
4. Grandparents' Day is headed up this year by Rene Blake, mentored by outgoing coordinator Sylvia Burcham. "Wait Until Dark" is the spring play this year, reflecting the theme of the day in nostalgia. Decorators and their ideas are needed for that event as well.
5. Teacher Appreciation Luncheon hosted by 9-12th grades will be Feb 21. May 11 will be the final Teacher Appreciation Luncheon hosted by 3rd – 5th grades.
6. Officer candidates are still needed for PTF 2006-7. Elections are March 30 at the Spring Open House.
7. A clean up day will occur on February 13, beginning at 8 am, to organize and sort through the Bear's Den.
8. Mrs. Moss reported on the progress of the upper elementary playground. The work is well underway for the new drainage culvert and sidewalk. The church is paying half the bill, which will significantly deplete available funds. The next step will be to plant a visual screen along the new chain link fencing.

Respectfully submitted February 10, 2006, by Lynn Petrik, Co-Secretary
